Price List As of 01st April 2017

Mercedes-Benz

The best or nothing.

Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at **www.mercedes-benz.ie**

The best for the engine:
Mercedes-Benz genuine engine oils.

¹ Figures for rated output and rated torque in accordance with Regulation (EC) no. 595/2009 as amended. ² The figures stated for fuel consumption and CO₂ emissions were determined in accordance with the specified measuring process (§ 2 nos. 5, 6, 6a of German energy labelling ordinance for cars (Pkw-EnVKV) as amended). The figures are not based on an individual model and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models. ³ Data applicable within the European Union only. May vary from country to country. ⁴ Determined on the basis of the measured CO₂ emissions taking into account the mass of the vehicle. ⁵ Figures in accordance with Directive 2007/46/EC as amended. ⁶ Figures for kerb weight in accordance with Directive 92/21/EC as amended (mass in ready-to-drive condition, fuel tank 90 percent full, with driver, 68 kilograms, and luggage, 7 kilograms) for standard-specification vehicles. Optional extras and accessories will generally increase this figure and reduce the payload capacity accordingly. ⁷ Figures apply solely to natural gas operation in kilograms per 100 km. Figures in square brackets refer to engines in conjunction with optional automatic transmission. Further technical data can be found at www.mercedes-benz.com
